

**“We Are Better Than We Were,
But Not As Good As We Need
To Be”**

Tom Warne

Tom Warne and Associates

1st International Construction
Management Conference

Tom's Ten Improvements

1. Improve communication

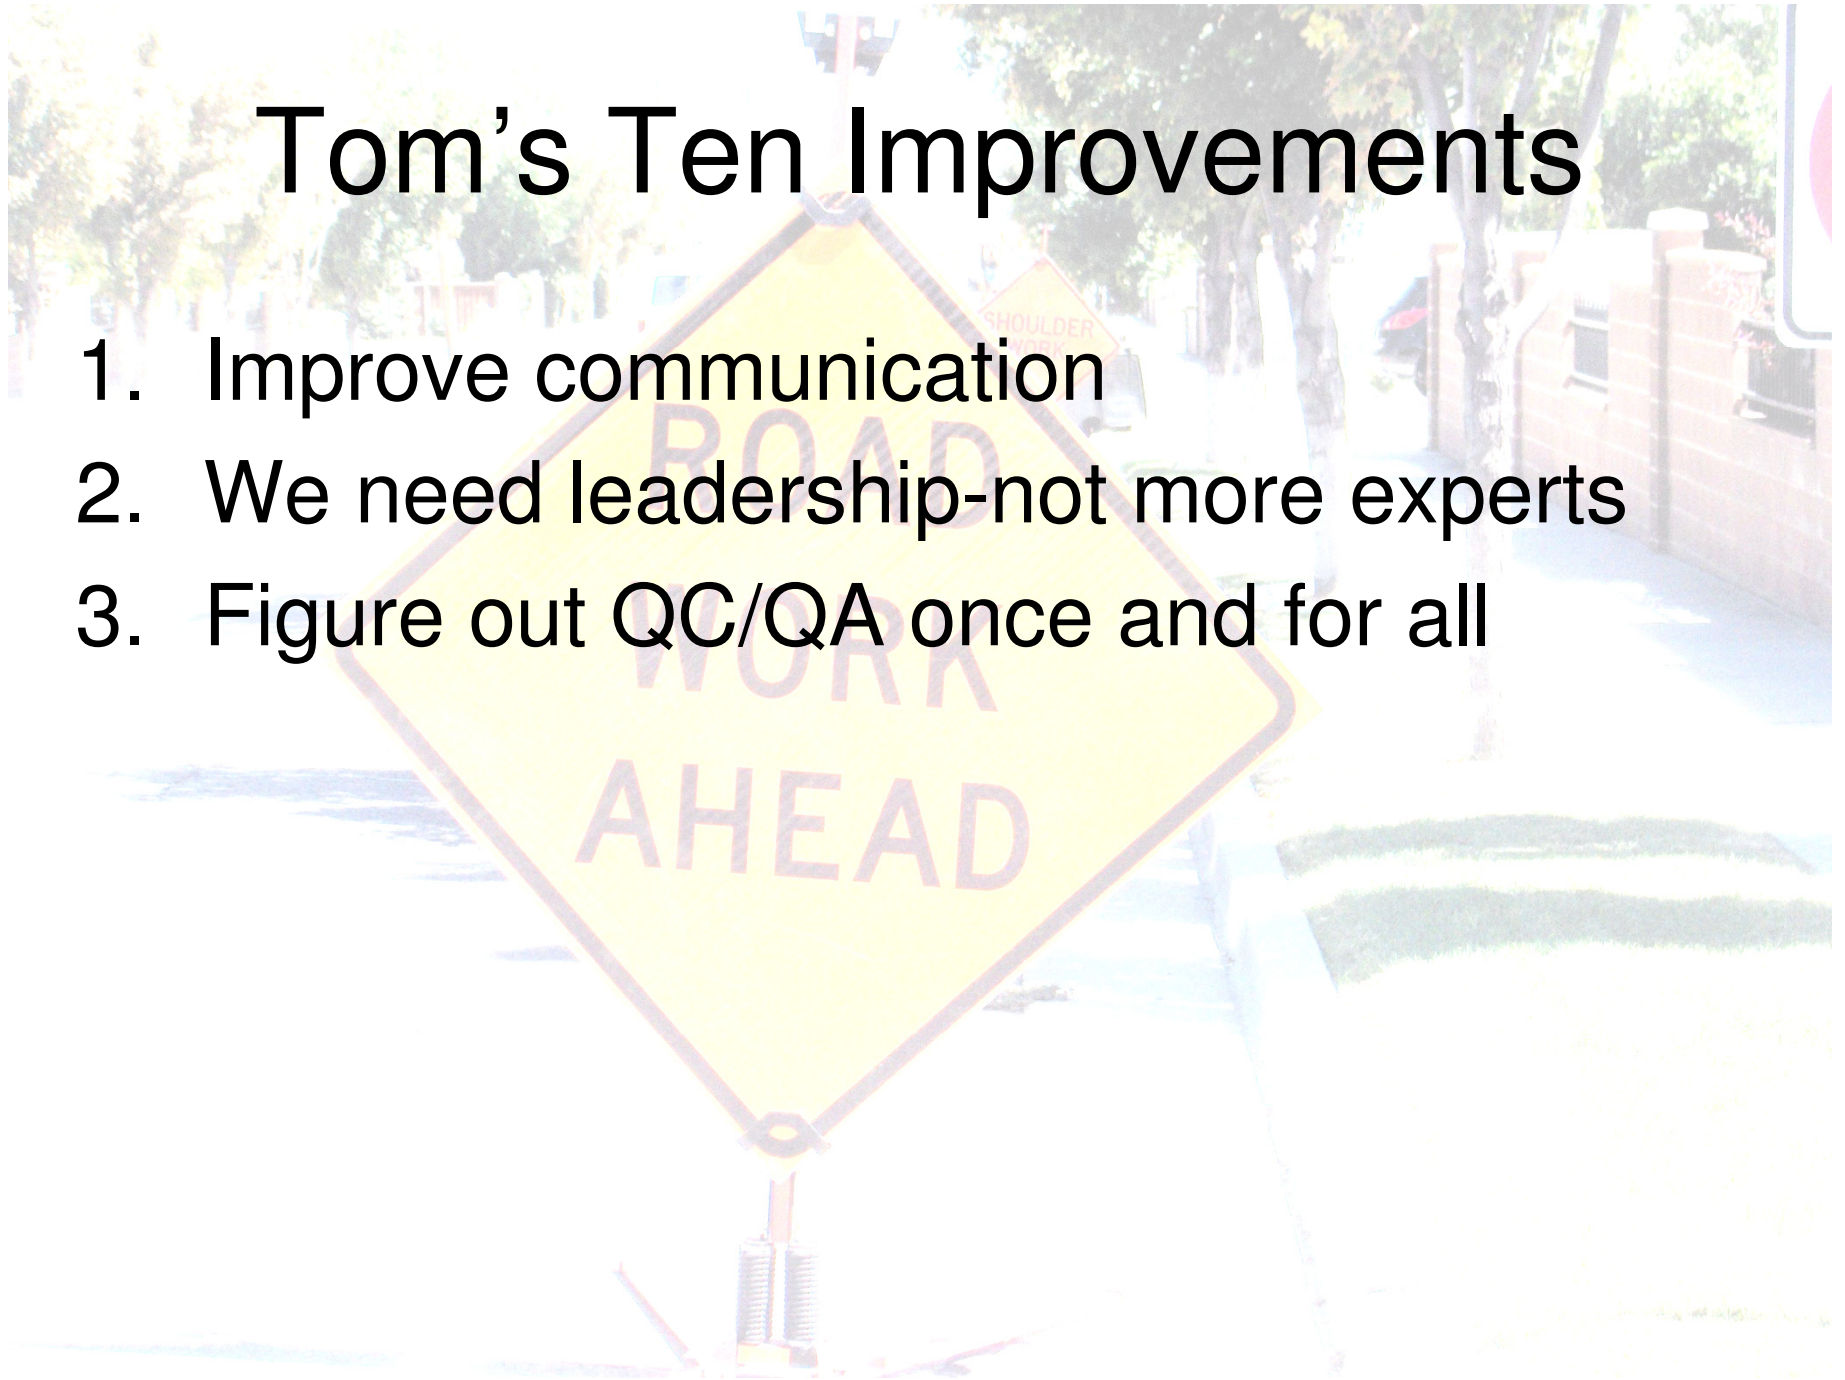

Tom's Ten Improvements

1. Improve communication
2. We need leadership-not more experts

Tom's Ten Improvements

1. Improve communication
2. We need leadership-not more experts
3. Figure out QC/QA once and for all

Tom's Ten Improvements

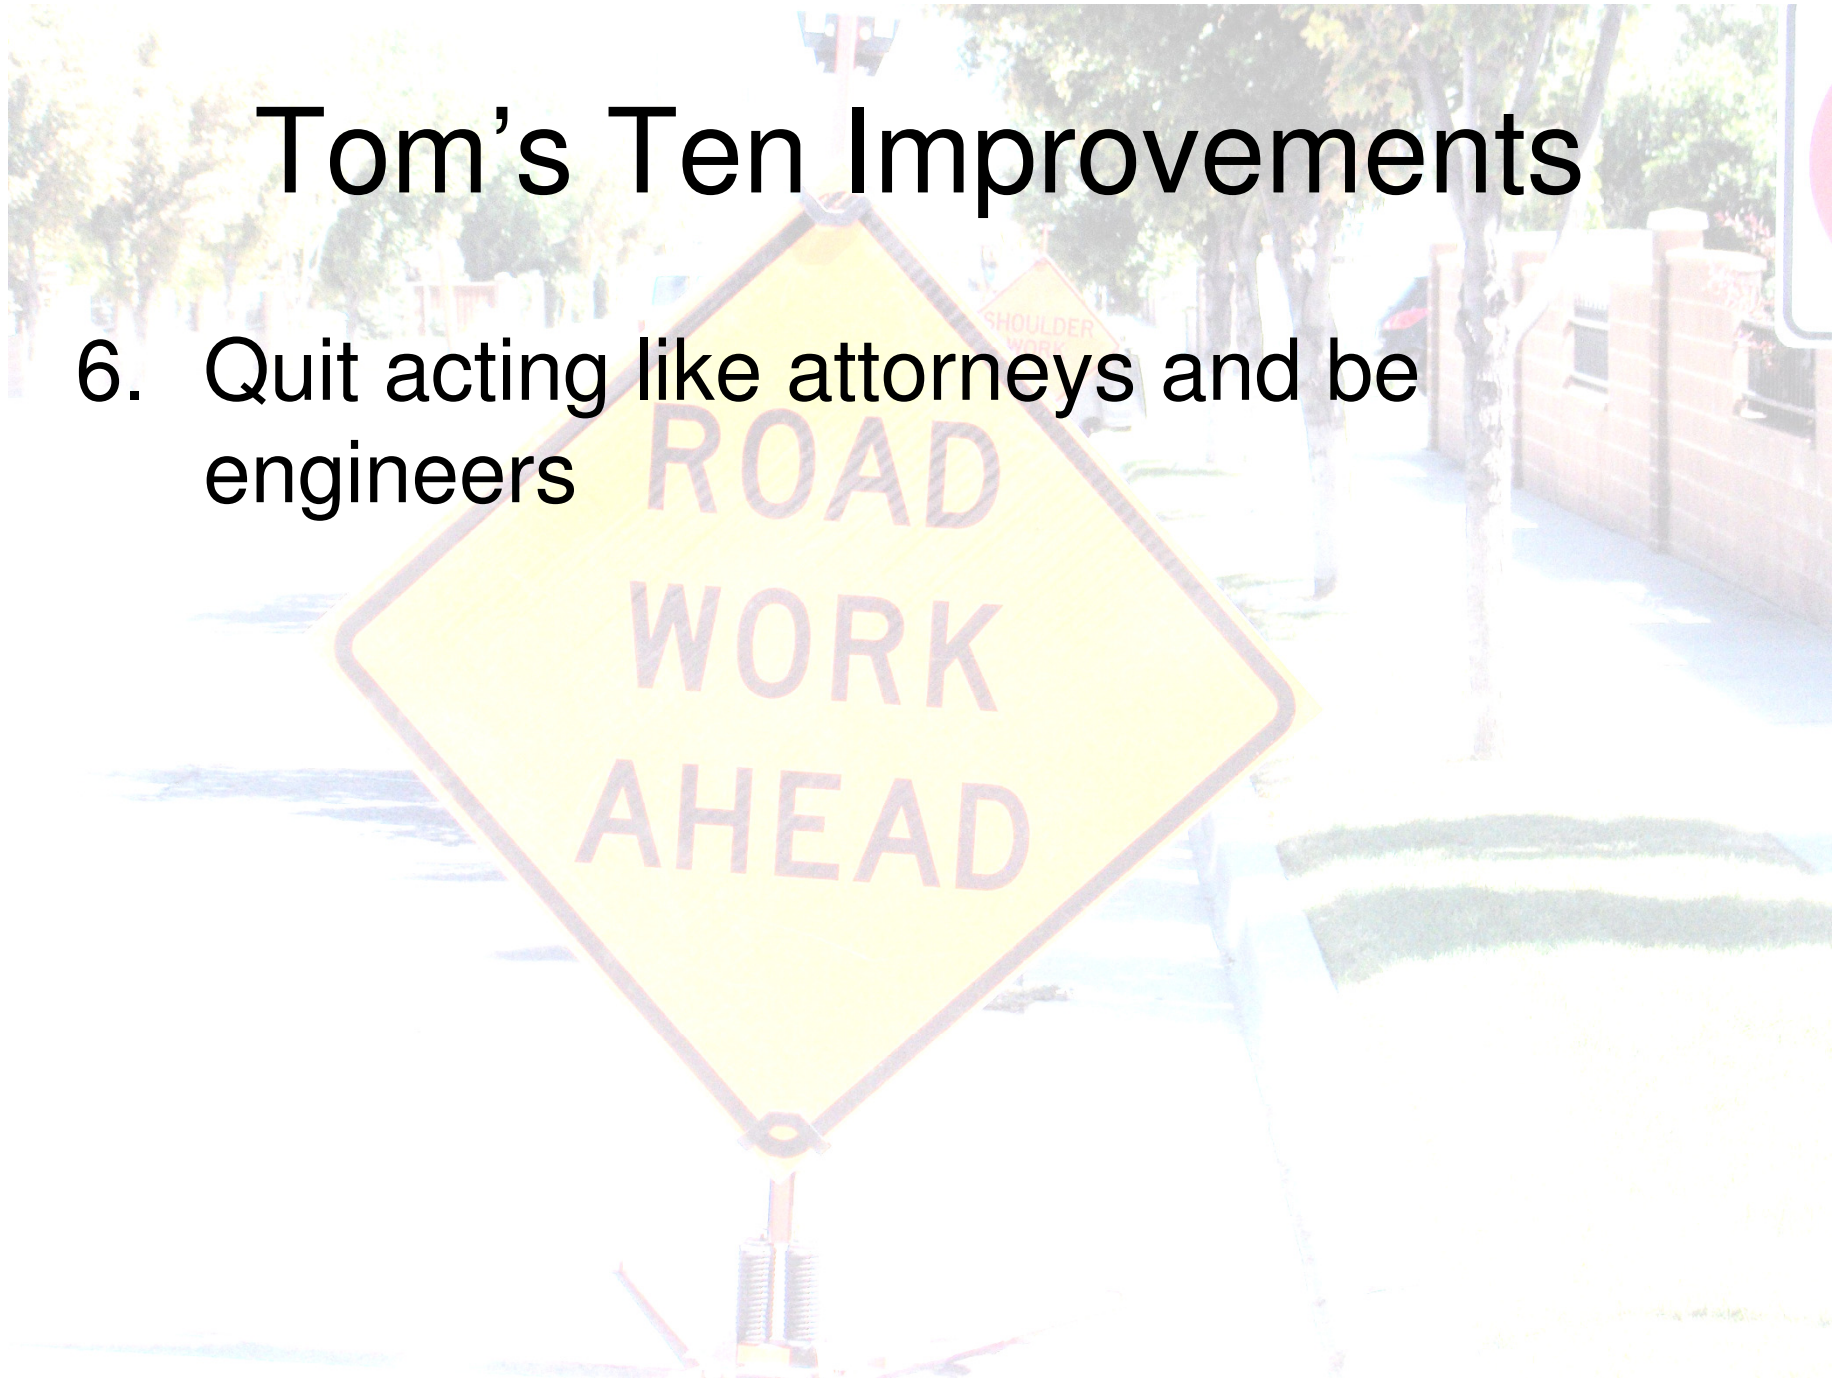

1. Improve communication
2. We need leadership-not more experts
3. Figure out QC/QA once and for all
4. Improve submittals and reviews

Tom's Ten Improvements

1. Better communication
2. We need leadership-not more experts
3. Figure out QC/QA once and for all
4. Improve submittals and reviews
5. Better utilize design services

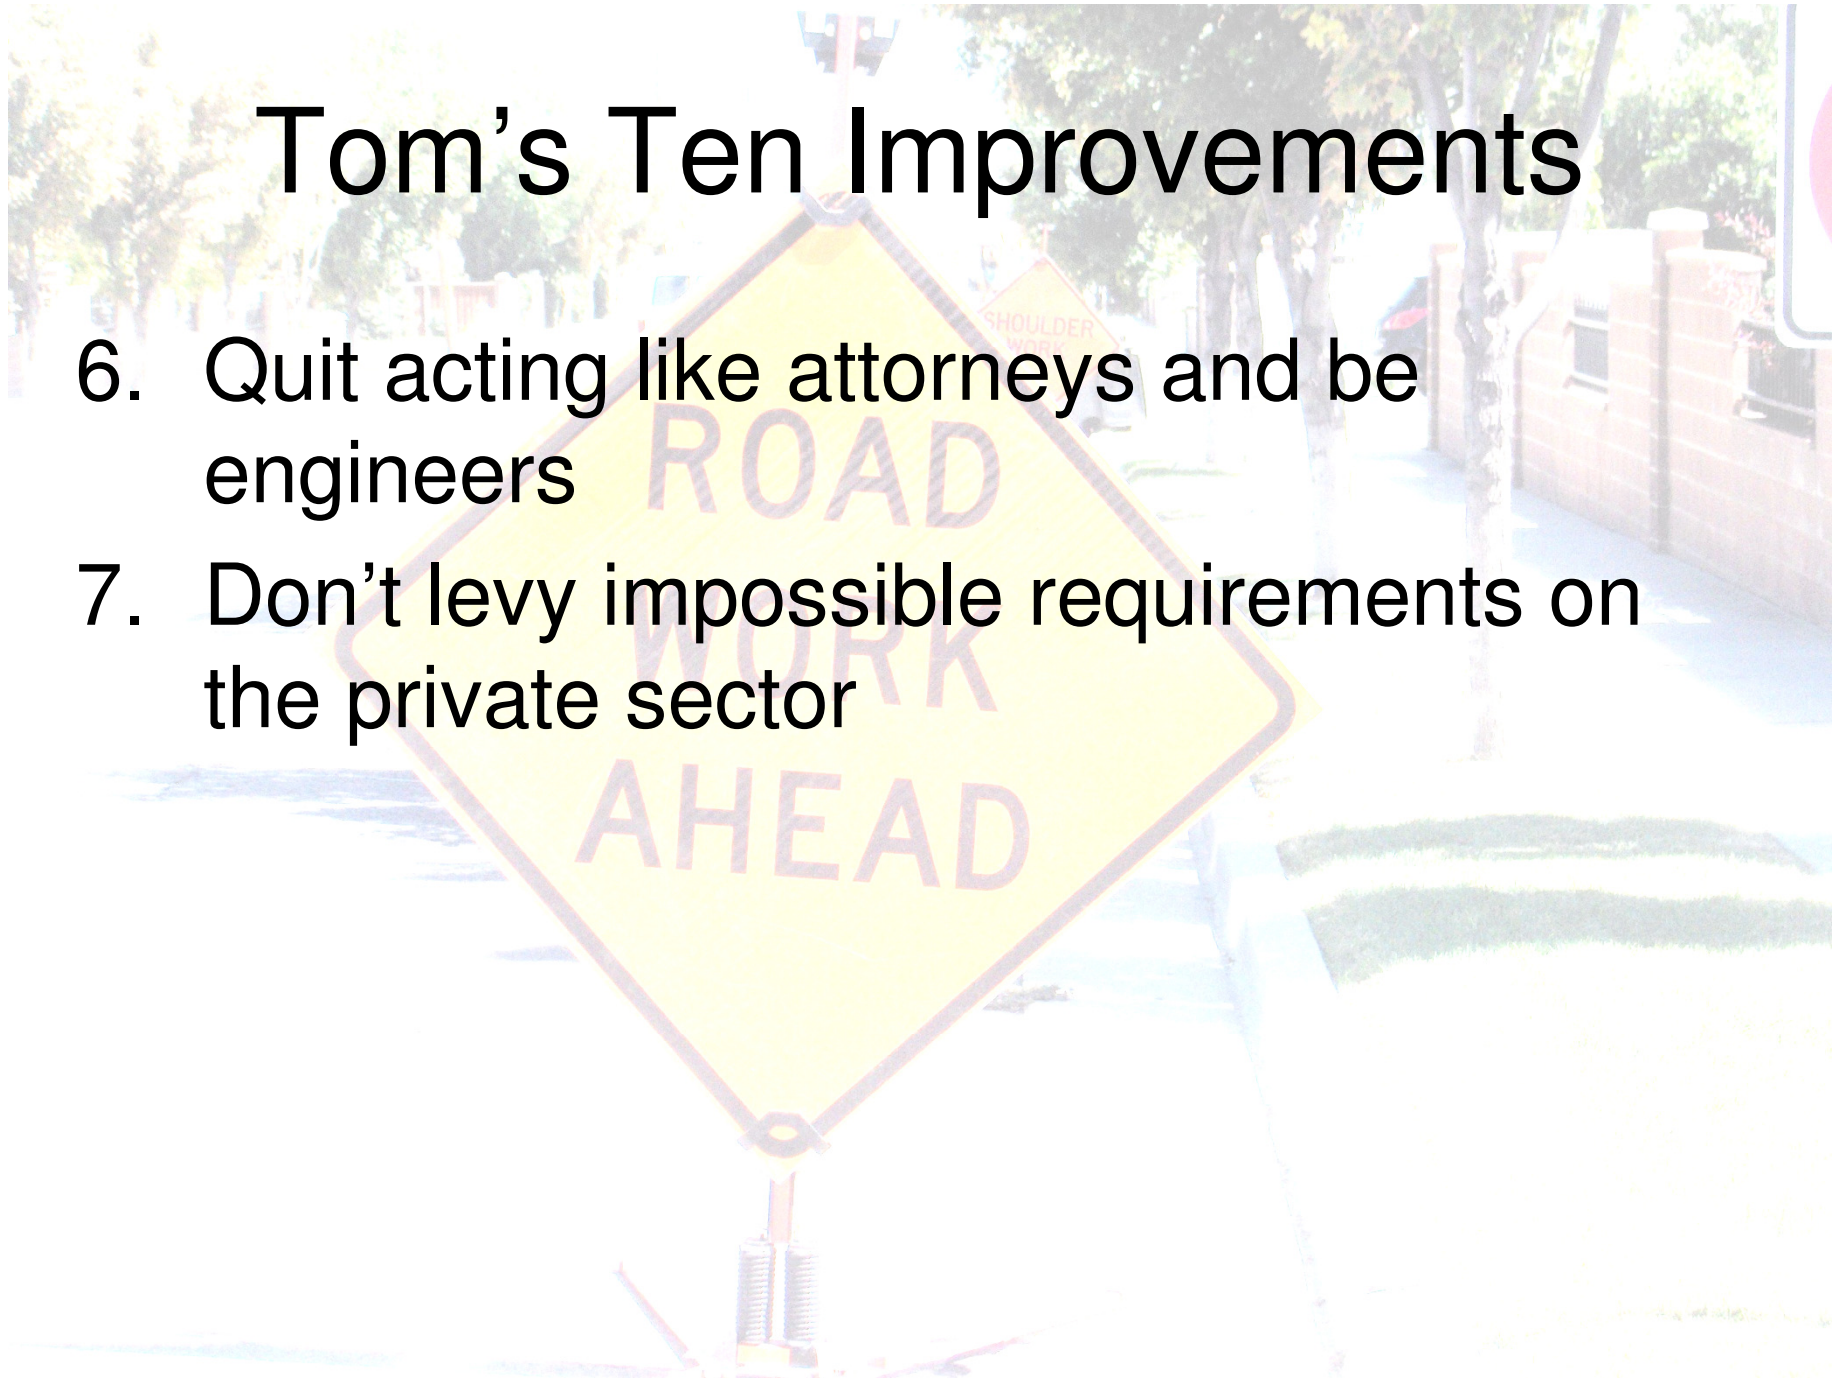

Tom's Ten Improvements

6. Quit acting like attorneys and be engineers

Tom's Ten Improvements

6. Quit acting like attorneys and be engineers
7. Don't levy impossible requirements on the private sector

Tom's Ten Improvements

6. Quit acting like attorneys and be engineers
7. Don't levy impossible requirements on the private sector
8. Manage the staff

Tom's Ten Improvements

6. Quit acting like attorneys and be engineers
7. Don't levy impossible requirements on the private sector
8. Manage the staff
9. Let the designers do their job

Tom's Ten Improvements

6. Quit acting like attorneys and be engineers
7. Don't levy impossible requirements on the private sector
8. Manage the staff
9. Let the designers do their job
10. Admit your mistakes
